

A11-C

FingerPrint Time Attendance Terminal

A11-C is a 3 inch TFT screen Time Attendance Terminal. With the new user-friendly firmware, A11-C has new features like stunning GUI, more stable, faster matching speed and better compatibility.

A11-C is compatible with the former SDK, ADMS and various types of USB flash disk. Moreover, TCP/IP makes the communication between the PC and the device easier.

Features

Remarkable user experience

- Intuitive and stunning UI designed with the most popular and internationalized element.
- Interface operation adopts modularized hierarchical design. Simpler, better and more logical.
- Faster matching speed, Less than 0.5 second.

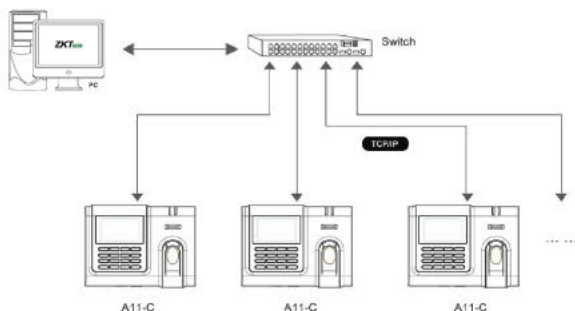

Enhanced features and performance

- Multi-languages.
- Data backup and retrieve.
- Attendance record can be printed by external printer.
- Advanced User ID consisted of letters and numbers.
- Chip encryption for firmware protection.

Specifications

Display	3-inch TFT Screen
